

Giving Me Love

V1

I don't deserve this, but I can't deny it
You keep picking me up when I fall down
Sometimes before I even hit the ground
I haven't earned this
Still you invest in me like I'm a good bet
Banking on the day I'll come around
to the man you see in me

Chorus

And you keep giving me love
Giving me love, giving me love
Giving me love, giving me love
So much love
And you keep giving me love
Giving me love, giving me love
Giving me love, giving me love
All your love

V2

You're some kind of woman,
Yeah, you should hear that a little more
Though the words don't travel through my lips enough
I feel it deep in my soul

Chorus

Bridge

I can't understand how someone like you
Fell, for someone quite like me
And I'm workin' hard to be a better man
But until I do, you'll be
Waiting for me, unconditionally

Chorus
