

Smoke & Mirrors

V1

Cryin' in this bed of lies, while I'm lyin' next to you
Wishin' I didn't know why, nothin' you said was true
Found the devil in the details now I am on to you

Pre Chorus

Under your spell, yeah

Chorus

When you divert to distract, flirt to attract
The truth couldn't be any clearer
Even with your smoke and mirrors
You divert to distract, flirt to attract
Think you're so slick, you know all the tricks
Seein' clearer through your smoke and mirrors, ah ah
through your smoke and mirrors, ah ah

V2

Hidin' behind the lies, you want it both ways
When you look into my eyes, I see the truth, right through you
All my days end with why and I don't like the view

PreChorus

She took your bait and fell

Chorus

Bridge

I'm on to you now, got an ace in my pocket
I didn't want to play this hand
But when all that's left are lies and sin, nobody's gonna win
Let's just say two can cheat this game
I'm on to you, I'm on to you

PreChorus

Baby you taught me well, now I

Chorus

Vamp

I'm over you, so over you, yeah I'm done with you
And the truth couldn't be any clearer, even through OUR smoke and mirrors, baby
